For Immediate Release: Markel Marine Now Available Through MGA

I am pleased to announce that **Maritime General Agency (MGA)** is now appointed with **Markel Marine Insurance** for writing boats and yachts. Markel is available in all states, although capacity in the Southeast and Gulf are sometimes limited. Markel's appetite is pretty broad and is defined by the following classifications:

- **Sail and Power Yachts**
- **Trawlers**
- **Sportfish**
- **Center Consoles**
- **Houseboats/High Performance Boats**
- **Rowboats, Runabouts, Bass Boats, Pontoons, RIB, and Cruisers**
- **Airboats and Hovercraft**
- **PWC and Sport Boats**
- **Bass Boats**
- **Tournament Fishing**

Markel will consider boats of any age, built from just about any material; FRP, wood, steel, aluminum, or composite. Along with standard boat and yacht coverage, Markel can offer coverage for:

- **Liability Only**
- **Fishing Gear Coverage**
- **Extended Storage**
- **Emergency Lodging and Transportation Expense coverage**
- **Liveaboard Coverage** (Provides worldwide personal effects and personal liability coverage away from the yacht, and loss of use)

Markel is being offered in addition to MGA's four other boat and yacht programs: New Hampshire Insurance Company (Chartis), Vigilant insurance Company (Chubb), St. Paul/Travelers and Chartis Private Client Group.

Applications for Markel can be downloaded at www.marinemga.com/products/yacht and can be sent to your yacht underwriter at either MGA or Marine MGA.

Maritime General Agency continues to grow so we can be the single source of insurance to our brokers for **Recreational Marine, Inland Marine** and **Ocean Marine** risks. Please feel free to contact your yacht underwriter or marketing representative with any questions pertaining to Markel or any other marine related opportunities.

Sincerely,

Damon Pesce
